

LASALLE COUNTY SWCD FALL FISH SALE ORDER FORM

OCTOBER 7, 2020 8:00 A..M.

You will notice a change in prices and available species on this order form. The former fish supplier has closed their business so we are getting fish from a new fish hatchery. Due to it being late in their season and the unexpected demand from IIL Soil & Water Districts they are doing their best to accommodate our customers. Next spring, we will all be better prepared and hopefully increase the species offered.
